FLOORING/CONCRETE

Jotafloor Superior Floor Coatings

THE JOTAFLOOR RANGE

Jotun Paints is recognised as one of the world's leading manufacturers and suppliers of sophisticated paints/coatings and cathodic protection systems. It is part of the Worldwide Jotun Group with factories and offices in more than 50 countries. Jotun is active in every area of coatings technology providing products which protect buildings, industry, marine and offshore against attack from the worst that man and nature can offer.

The protection and decoration of concrete is an area of particular expertise for Jotun, combining proven technology and innovative solutions with a wealth of practical experience. Australia, Finland, Norway, South Africa and Turkey have been key areas of specific expertise for Jotun in the complex area of concrete protection. This considerable knowledge is formalised in a range of floor protection products - Jotafloor.

For the protection of new constructions and the repair of concrete and its maintenance, the Jotafloor range provides solutions that offer lasting protection and beauty with the benefits of economy.

JOTAFLOOR RAPID DRY

Jotafloor Rapid Dry is a single component, fast drying, glossy alkyd topcoat, offering durability not normally associated with alkyd floor products.

Ideal for floors requiring a fast, easy to use, light duty floor coating where drying time is at premium:

- Exhibition halls
- In-house events
- Concerts/Sports venues/Open Days etc.

Also as a general purpose floor coating offering protection from mild spillages and light pedestrian traffic.

- Factory
- Warehouse
- Domestic Applications
- Garage show rooms

JOTAFLOOR TOP COAT

Jotafloor Topcoat is a two-pack epoxy floor coating offering good chemical resistance, durability and available in a variety of colours.

Areas requiring a dust free, hard wearing and aesthetically pleasing floor coating such as:

- Warehouses
- Garages
- Workshops
- Production areas

Excellent adhesion to primed concrete, mortar, screed and a limited number of other surfaces make Jotafloor Topcoat ideal for many uses in light to medium industrial areas.

JOTAFLOOR COATING SOLVENT FREE

Jotafloor Coating is a high performance, self smoothing, solvent free, seamless epoxy coating capable of being applied at varying thicknesses to suit the final use of the floor. Jotafloor coating offers excellent chemical, abrasion and impact resistance.

Jotafloor Coating has a wide range of application uses ranging from light industrial areas to floors requiring long lasting protection from abrasion and heavy loads. Typical areas include:

- Warehouses
- Garages
- Dairies
- Factories
- Laboratories
- Aircraft hangers
- Plant rooms
- Food manufacturing plants

JOTAFLOOR PRIMER/SEALER SOLVENT FREE

Primer/sealer on concrete masonry, normally under Jotafloor Topcoat and Jotafloor Coating.

Jotafloor SF Primer is a transparent two-pack epoxy primer exhibiting excellent penetration properties to ensure good adhesion between Jotafloor products and most masonry surfaces.

JOTAFLOOR SEALER

A sealer for subsequent Jotafloor products or for use independently as a dust binder for concrete floors.

Jotafloor Sealer is a transparent two-pack epoxy sealer/primer exhibiting excellent penetration properties to ensure good adhesion between Jotafloor products and most masonry surfaces.

SURFACE PREPARATION

Concrete surface preparation by using dust free captive blasting units, grinding equipment or sand blasting is critical to achieving the right surface profile prior to paint application.

It is imperative to pay special attention to surface preparation when using these systems. The removal of dirt, laitance and contamination is of paramount importance.

REMOVE

- Dirt
- Laitance
- Contamination

SERVICE REQUIREMENT	JOTAFLOOR RAPID DRY	JOTAFLOOR TOP COAT	JOTAFLOOR COATNG
Light pedestrian traffic - Light duty	●	●	●
Foot and occasional fork lift traffic - Main aisles etc.		●	●
Heavy pedestrian traffic - Main aisles etc.			●
Frequent fork lift traffic - Moderate to heavy duty			●
Long term - High performance required			●
Solvent borne	●	●	
Solvent free			●
Occasional spillages - Low risk	●	●	●
Occasional spillages - Low to medium risk		●	●
Occasional spillages - Moderate risk			●
Preparation - Blast cleaning required			●

LEADING THE WAY IN HEAVY DUTY PROTECTIVE COATINGS

Jotun is recognised the world over as an innovative leader in the supply of high performance protective coatings. Intensive research and development, combining state-of-the-art technology with innovative thinking, practical knowledge and experience means our products are formulated to deliver exceptional performance in each of their intended applications.
